

Tuesday

What is a fear you have about your senior year? What is a hope or goal you have about your senior year? Write at least one paragraph.

Wednesday

Look back to the seven deadly sins of writing. Which two are the hardest for you to remember and why? Which two are the easiest?

Thursday

Think back to what you've learned about jobs and careers. What "jobs" could you do while you're working towards your career and how might they prepare you?

Friday

What do you think the United States will be like in thirty years? Think about government, the economy, social groups, entertainment, etc.
