School Description and Mission Statement

The mission of Lighthouse Community Day High School is to provide quality education to 9-12th grade at risk students so as to prepare them to master basic academic skills, develop adequate social skills and be prepared to obtain a high school diploma or the equivalent. Our students often have behavior and attendance problems that interfere with educational achievement.

The school consists of two classrooms with a capacity of twelve students each, the administrative building where the office manager and principal have offices and a recently completed classroom which serves as a physical education/recreation/lunch room for the high school alternative students All buildings are portables. The buildings are maintained by a part-time custodian. The campus is clean and the buildings are in good repair. Facilities inventories identify maintenance priorities. Facilities are inspected monthly for safety and hazards and kept in top condition. The facilities plan includes the construction of a sports court.

Opportunities for Parental Involvement

Parent involvement is via Site Council, Student Study Teams, Pre-enrollment Conferences, Parent/Student Conferences, Back-to-School Nights, Open Houses and semester awards ceremonies. Our School Site Council provides input on and approves the school's annual plan and applicable categorical budget expenditures. New Site Council members are always needed. Spanish translators are also needed at many school meetings. To find out how you can volunteer at our school, please contact our office manager Coni Belli or our principal, Marli Shoop at (707) 961-2889.
