**About This School**

The mission of Noyo Continuation High School is to provide quality education to at risk students so that each might master basic academic skills, develop adequate social skills and earn a diploma or equivalent.

Students are 10th - 12th graders. Our students often have behavior and attendance problems that interfere with educational achievement.

Students may attend Noyo if he or she:

- Transfers from an out of district continuation high school, or
- Enrolls via district-level referral process.

There are two classrooms with two full time teachers and a part time counselor. The school is designed for a maximum enrollment of thirty students. One administrator and a full time office manager staff the office.

### Data and Access

**DataQuest** is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access** is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement

# School Climate

## School Safety Plan 2007-08

Noyo High School has comprehensive plans for disaster preparedness and school safety.

Campus is monitored during morning break, lunch and from thirty minutes before and after school each day.

Cameras will be installed this year (2008-09) around campus as recommended by the Grand Jury report.

Students and parents/guardians are given copies of the Student Handbook. Each quarter students take a test on the contents of the handbook.

Staff reviews emergency procedures each year. Fire, earthquake and disaster drills are regularly scheduled. Hand held walky-talkies were purchased to aid in implementing these procedures. Noyo has comprehensive plans for disaster preparedness and school safety.

# School Facilities

## School Facility Conditions and Planned Improvements in 2008-09

There are currently two classrooms with a capacity of approximately twelve each. There is a separate administrative building where the administrative assistant and principal have offices. There is a recently completed third classroom that serves as a physical education/ recreation/ lunch room. All buildings are portables.

The facilities plan includes construction of new basketball courts. We are excited to say the court has been constructed and finally available for student use.

We have a part time maintenance person. The campus is clean and in an attractive wooded setting. The buildings are in good repair. Facilities inventories identify maintenance priorities. Facilities are inspected monthly for safety and hazards.

## Types of Services Funded Fiscal Year 2007-08

Noyo is a comprehensive school and has curricula where all requirements for a high school diploma can be met. Noyo offers students many possibilities to earn credit outside of the regularly scheduled day, schedules for working students and opportunities to take community college classes.

Counseling is provided through Mendocino Youth Project, Mendocino County Mental Health and the AODP program.

Safe Passage provides social services to students, including help with Medi Cal eligibility.

Our teachers provide college counseling; college campus visits and facilitates contact with representatives of post secondary education.

Noyo usually has a few students with Individual Education Plans. Certified special education staff from Fort Bragg High School provides case management. Direct services to meet educational objectives are provided by a paraprofessional staff member who is trained and supervised in providing individualized instruction.

Students identified as English Learners are able to be enrolled at Noyo and attend ESL classes at FBHS.

# Student Performance

## California Standards Tests (CST)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>.

### CST Results for All Students – Three-Year Comparison

Subject	School			District			State		
	05-06	06-07	07-08	05-06	06-07	07-08	05-06	06-07	07-08

Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

## California High School Exit Examination (CASHEE)

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

### CASHEE Performance for All Students – Three-Year Comparison

The table above displays the percent of students, by group, achieving at each performance level in English-language arts and mathematics for the most recent testing period.

## California Physical Fitness Test Results 2007-08

Grade Level	Percent of Students Meeting Fitness Standards
Grade 9	*

*The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pfl>. Note: To protect student privacy, scores are not shown when 10 or fewer students are tested.*

# Accountability

## Academic Performance Index (API)

*The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>*

*Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2006-07 school year in the 12th grade, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hsl/>. Note: "N/A" means that the student group is not numerically significant.*

## Career Technical Participation – 2007-08

We have a computerized vocational aptitude and preference system. Our students have access to all of the ROP classes offered in the District. Jobs corps recruits on campus.

We have an active work experience program. Approximately twenty-five per cent of our students are employed. Students complete a vocational senior project that promotes preparedness for post secondary employment and training.

## Advanced Placement Courses 2007-08

Noyo High has access to a guidance counselor who helps students prepare for college or vocational school. Students can meet with the counselor several times per year to plan for post high school education or training. Noyo students have the opportunity to make college visitations.

Representatives of colleges and vocational training organizations make presentations to students.

Students can get help submitting applications and applying for financial aid from their teachers or from the Fort Bragg High School counseling staff.

*This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.*

## **Professional Development**

The District provides time for collaboration, planning, and professional development for staff. Professional Development Days are scheduled annually. Staff members are encouraged to attend conferences, workshops and take college courses to continue their professional growth. Priorities are established via the strategic planning process.
