

Scavenger Hunt

Name: _____ Period: _____

Description: On campus photograph each item on the list (on the back) in landscape format. **Be as original and creative as possible.** Then download images as directed in "Saving Digital Photo Files." Next select all 35 images and print images in contact sheet format.

Requirements:

1. Creatively photograph each item on the list in **landscape format**.
2. Download your images saving them to a subfolder named "hunt" and move them to your main folder with your name on it.
3. In the scavenger hunt folder, rename each image using the list.
4. Select all 35 of your images and print using the contact sheet format.
5. Sign and date in pencil using photographic format.

Teacher Evaluation: Evaluation is based on completing the following activities, quality checks and degree of creativity.
