

FBHS Paw Prints – News & Notes Edition

September 14, 2011

Principal's Message

Welcome back! This has been one of the smoothest starts to the school year FBHS has ever experienced. Student behavior has been exceptional, and everyone seems to have adjusted to the many changes found in 2011-12.

As we start this new year, we would like to congratulate the entire Fort Bragg High School staff and student body for their outstanding performance on our statewide testing results. Our new API (Academic Performance Index) score is **786!** This is the best Fort Bragg High School has ever performed. Our teachers and students continue to prove that FBHS is an academically competitive high school.

Beyond academics, FBHS offers a myriad of athletic and extra-curricular activities for students to experience. Research tells us that students who become involved in school beyond their core academic subjects have a greater chance of overall school success. Please encourage your student to participate in a sport, campus club, or an ASSET's enrichment class. The more connected students are to their school, the more successful their high school career will be.

All of us at FBHS, look forward to a productive school year. Please feel free to contact the school administration, counseling office, or teachers should you have any questions regarding FBHS life. We are all here to help make our students' time at school the very best of all their educational experiences.

Again, on behalf of the Timberwolf family, thank you for a wonderful start to the school year, and we look forward to an outstanding 2011-12 year.

~Mrs. Walker
Principal

October 14, 2011	Career Fair at FBHS (Minimum Day – Students dismissed at 12:30 PM)
October 17 – 21, 2011	Fall Break – campus closed

GET CONNECTED!

There are many ways for parents and guardians to stay connected to their students' progress and educational needs.

1) ABI: (AERIES Browser Interface) allows parents to monitor student grades and attendance. In this mailing, all parents will find a letter explaining how to access ABI and create an account. Please consider using this valuable tool to help encourage your student to maintain good academic standing.

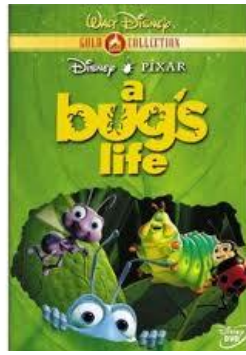

2) FBHS Web Page: Our high school web page contains the daily bulletin, teacher web pages, athletic information, ASSET's information and much, much more! Please visit our website at www.fbusd.us and select Fort Bragg High to discover all our website has to offer.

ASSETs (After School Safety and Enrichment for Teens)

We are fortunate at Fort Bragg High School to be the recipients of a five year grant that funds our extensive after school program. Every day after school, academic tutoring and enrichment classes are available to all FBHS students free of charge. If your student requires extra help in any academic class, please visit the after school program web page off the high school home page to see the most current tutoring schedule. This program provides more than academic support. It also provides students with a wide variety of after school activities to meet the interests of all our students. Enroll your student in our ASSETs program today. Enrollment forms are in the high school front office.
