

English 12 Warm-Ups 1-2

Monday: How would you feel living in a society such as Winston's? Imagine being watched and listened to at all times, being controlled by the government, etc.

Tuesday: Quickly list all of the skills you can think of that you possess.

Wednesday: no warm-up—computer lab

Thursday: Is that past important? Why or why not?

Friday: Think about the scene in the book when the war footage is shown at the movie theater and the audience reacts with excitement and fervor. How did that scene make you feel? How would you feel being part of that audience?
