Driver Requirements

To ensure that private transportation services will be provided in a safe, efficient and cost effective manner, the following requirements will be met:

1. The driver must be at least age 25 if transporting students, possessing a valid California driver's license, and have been continuously licensed for a minimum of 3 years.
2. Driver must be free of any medical condition that may affect his/her ability to operate a vehicle.
3. No alcohol or drugs will be consumed prior to, or while operating the vehicle.
4. The vehicle will be in excellent condition and repair.
5. The number of passengers shall not exceed the capacity for which the vehicle was designed.
6. No one may transport more than nine passengers plus the driver in any vehicle.
7. Transportation is limited to District business and/or transportation of students and approved chaperones for educationally based activities, sports and field trips.
8. All occupants must wear seat belts whenever the vehicle is in motion.
9. All students who are less than 8 years of age or under 4'9" tall must be properly secured in a rear seat, in a child passenger restraint system, meeting applicable federal motor vehicle safety standards.
10. The use of cell phones, walkmans, pagers or other electronic devices while driving is prohibited.
11. Smoking a pipe, cigar or cigarette in the vehicle is prohibited.
12. The driver accepts the added responsibility that comes from carrying extra individuals and, therefore, will be conscientious in obeying all driving rules and regulations set forth by the State of California. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his/her host owner/driver.
13. All drivers must have an acceptable driving record as determined by District policy. The Fort Bragg Unified School District reserves the right to require a current H6 Motor Vehicle Report (10 year MVR) and/or accident reports for driver eligibility.
14. The driver must have an automobile liability insurance policy and assume all responsibility for all physical damage to his/her vehicle. The District's liability insurance **does not** extend protection to the private driver, occupant or vehicle.
15. If the above conditions change and/or cannot be met, I will no longer participate as a driver until the requirements can be met.
